Your Hidden Genius Full Potential Pty Ltd

Your Hidden Genius Full Potential' - A World first, personalised, self directed learning tool for engaging the human mind, gently shifting mindsets with evolutionary transformation and empowerment.

Goal: Match trends in human transformation, education, Self Directed learning and development plus, #raiseanation to #makeanimpact by cultivating new thinking rooted in Neuroscience, for transformational ground that builds trust and confidence and gently encouraging growth mindsets.

Evolutionary challenges:

1. Enticing the human mind to choose to catch up with technology and changes, requires a personalized approach in blended learning and coaching with an essential element of support.
2. Behaviour change starts in our thinking, our mindsets. How we show up to others, our clients, starts with our thinking
3. The desire to want more in life, in choosing to fill gaps in a learning journey, all starts with supporting the individual in managing change and transformation easier.

How:

By honouring where each person is at, wholistically, together with intrinsic motivation that includes principles of Coaching, Neuroscience in coaching, philosophies of both Ontology and Epistemology, and gently balancing Social Intelligence, Emotional Intelligence, to empower the individual thinking, the natural voice and the individuality of voices yet to be heard.
